Games for Change
Let's Get Personal
CS in ES

As the heart of CTE your role at the local school level is integral in preparing students for a successful future! To help support this event, we ask you to host an interactive exhibit for K-12 students that promotes your CTE cluster and pathway.

College and Career ACADEMIES

If you are interested in hosting an exhibit, contact the event coordinator, Brooke Shultis at brooke.shultis@gcpsk12.org

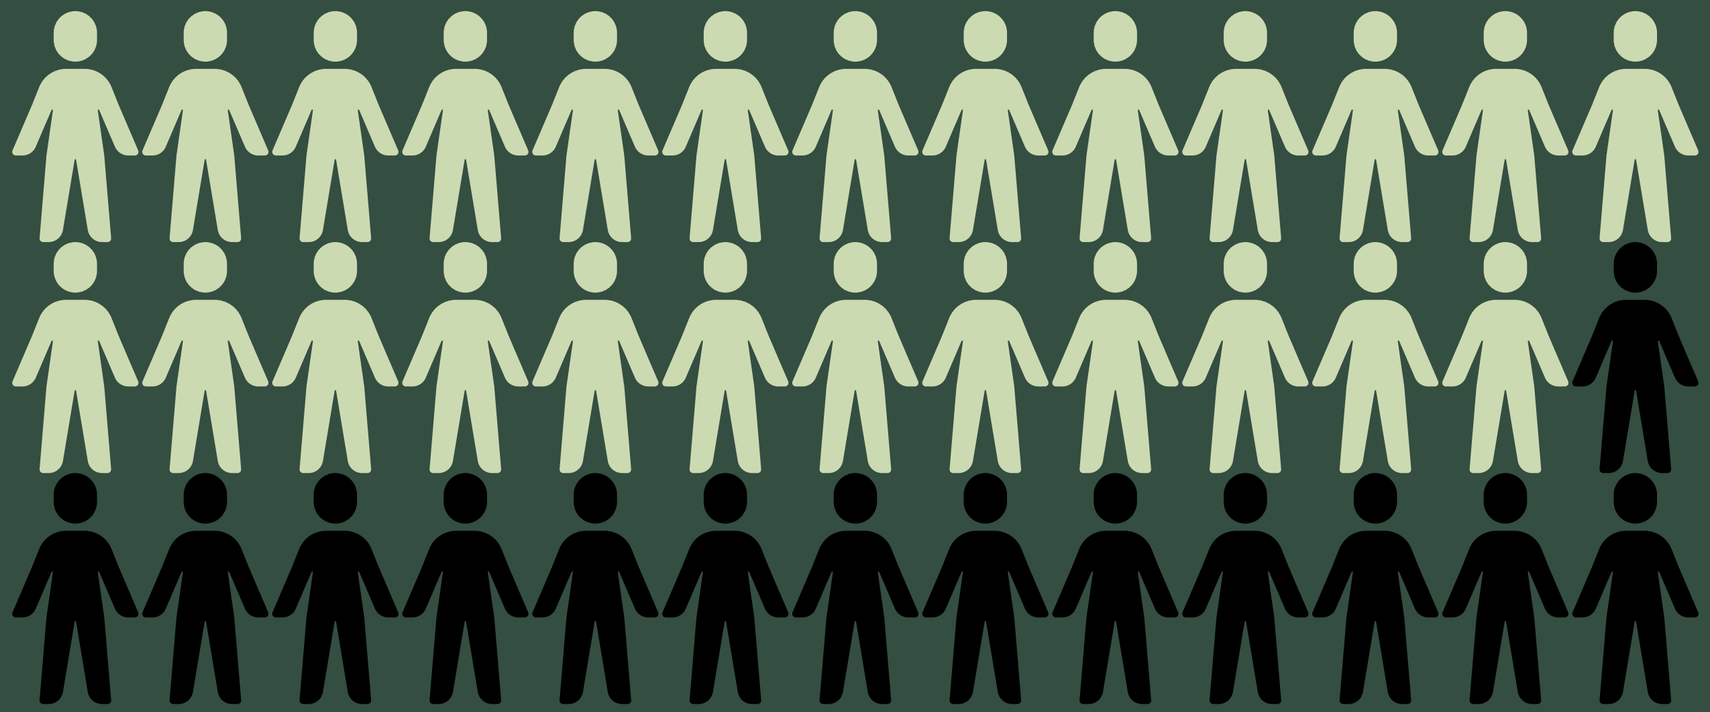
After our workshop, 25 out of our 39 participants left Interested or very interested in IT and programming



Conclusion 👍

HOLLY

TAP was an amazing experience, I loved working with my group members and developing our game!

TRUMP

I loved going to all the TAP events and seeing others interact with our design!

APRIL

I really enjoyed TAP and I am grateful for everything I got to learn and the people I got to meet.
